

Jayda Fransen meets Julius Streicher

Jayda Fransen isn't only Britain First's 'Deputy leader'. She's also the Biffers' 'Press officer' according to her online biography at BritainFirst.org. So we thought we'd compare her recent article to the German Nazi Party's equivalent – Der Sturmer editor, Julius Streicher. The results were very interesting.

“THERE IS NO ‘MODERATE’ ISLAM – BY JAYDA FRANSEN (AUGUST 15, 2015)

One of the most common questions I am asked, especially when being interviewed by the predominantly leftwing media, is as follows:

“The people who commit acts of terror are extremists, they are a minority, why do you oppose Islam as an ideology when the majority of Muslims are peaceful and moderate?”

Here's my answer:

Islam was created by an extremist.

His name was Mohammed and he was a mass murderer, rapist and a pedophile who instructed others to mercilessly kill anyone who did not accept him as the 'Messenger of God'.

According to Islamic scripture, Mohammed is the "perfect human".

So here is my question:

How on earth can all of these so called 'moderates' believe that a man who murdered and instructed others to murder innocent people is the "perfect human"?

I am yet to be given an answer to those questions other than the generic Muslim response to anything that exposes Mohammed's vile behaviour: silence.

By now I am sure we have all seen photographs of ISIS carrying out public executions, stonings, lashings, cutting off people's hands etc.

I am also sure it has not escaped everyone's attention that there are always crowds of people standing round watching and often cheering.

According to the reasoning of our government, the leftwing and, indeed the majority of Muslims – the people watching and cheering are 'moderate' Muslims.

A collection of quotes from Nazi propagandist and editor of Der Sturmer – Julius Streicher....

“Do you not know that the God of the Old Testament orders the Jews to consume and enslave the peoples of the earth?”

“Christ was a Jew, and God, he is supposed to have made the universe. That's a little far-fetched because if God made the world, who made God?”

“You are blinded and you serve the God of the Jews, who is not the God of love but the God of hatred. Why don't you listen to Christ Himself, who said to the Jews: "Ye are of your father the devil!"

“But it is a fact that within Jewry there exists a sect which engaged in these murders.”

“The victory will be only entirely and finally achieved when the whole world is free of Jews.”

“The communists pave the way for him (the Jew).”

Islam, as an ideology, is extreme.

It was created by an extremist.

The scriptures are extreme.

Sharia Law is extreme.

The bottom line is, there is no such thing as a 'moderate' Muslim.

There are those who follow Islam and those who do not.

If you are one of the former but consider yourself to be 'moderate' because – although you believe Mohammed was the “perfect human”, Sharia Law is divine and the Quran & Hadiths (which state that Muslims should kill non-Muslims) are sacred and should be followed – you don't actually commit any atrocities, then you need to stop kidding yourself.

If you agree with an extreme ideology such as Islam, you are an extremist.

If you consider yourself to be Muslim but you believe Mohammed was not perfect, Sharia Law is not divine and the scriptures are not sacred and should not be followed – then you also need to stop kidding yourself.

Islam dictates that you are not a Muslim, you are an apostate, an infidel, a kuffar and, like myself, you deserve to be killed.

Islam condemns you for being all of the above, it is about time you gave what can only be described as ‘the cancer of the world’ the same treatment.”

There is no 'moderate' Islam – by Jayda Fransen
One of the most common questions I am asked,...
Britain First – Taking our country back!

“The Jew always lives from the blood of other peoples, he needs such murders and such sacrifices.”

“My life's mission is to unmask the Jews.”

“The Jew is a devil in human form. It is fitting that he be exterminated root and branch.”

“This is our mission at home, to approach these future decisions without hesitation, to do our duty and to remain strong. We know the enemy, we have called him by name for the last twenty years: he is the World Jew. And we know that the Jew must die.”

“When the Jews speak of humanity, they mean only the totality of Jews.”

“It is written in the Jewish law book, the Talmud, that only the Jew is human, that Gentiles are only animals.”

“Germans must fight Jews, that organized body of world criminals against whom Christ, the greatest anti-Semite of all time, had fought.”
